Please send non-perishable food with your child. No microwave or refrigeration access. Each instructor will utilize break times, as needed throughout their scheduled class times and we encourage parents to pack snacks for their children.

DISRUPTIVE BEHAVIOR

Rose State Kids College & Teen Scene has a **ZERO TOLERANCE** policy for bullying, physical violence, disrespectful behavior, fighting, threats, and any other actions that contribute to an unsafe and disruptive environment. Retaliation will also not be tolerated. As a consequence of such actions, students may be sent home and not allowed to return to the week's camp and possibly future camps. Before every child's first day of camp, both the child and guardian will be required to read and acknowledge an anti-bullying form and our program's discipline policy. This will be sent via e-mail.

CANCELLATION/REFUND POLICY

We reserve the right to cancel courses due to insufficient enrollment or instructor unavailability. If we have to cancel a class for one of these reasons, you will be given the option to transfer your enrollment to another camp or receive a full refund. If you need to request a refund for any reason, refund requests must be received by 5pm the Friday before the camp is scheduled to start. We do not provide refunds after a course starts. No-shows are responsible for the full registration.
